RE: Opening Order of Selection Groups 2 and 3

Dear LRS Stakeholders:

Effective July 1, 2014, Louisiana Rehabilitation Services (LRS) will open Order of Selection Groups 2 and 3.

This means that LRS will serve all applicants and individuals determined eligible for Vocational Rehabilitation services in Order of Selection Groups 1, 2, and 3, to include those currently on the waiting list in groups 2 and 3. Those individuals determined eligible and assigned to Order of Selection Groups 4 or 5 will continue to be placed on a deferred service waiting list until LRS can once again serve these groups.

The work that you do on behalf of individuals with disabilities will allow us to reach populations that were previously unserved. I look forward to our continued collaboration in serving the employment needs of Louisiana’s citizens with disabilities.

Sincerely,

Mark S. Martin, M.S., CRC, LRC
LRS Director
