1. Determine CICO goals for the student

⬇

2. Choose who the student will check in and out with based on student's relationships with adults at school or student input
⬇

3. Review CICO procedure with student, checker, and teachers

⬇

4. Implement CICO

Student checks in with checker first thing in the morning and is given CICO Daily Report form ➜ Student gives Daily Report Form to teacher at the beginning of every class period/activity ➜ Teachers indicate at the end of the class period if student met goals ➜ Student checks out with checker at the end of the day to review performance, get feedback, and receive reward

⬇

5. Daily Report Form is sent home for the parent to sign and return to school

⬇

6. Review CICO data frequently to determine student progress and assess need for alterations to goals, rewards, etc.
