

☀️ SCHOOL IS ENDING, AND SUMMER BREAK IS COMING! ☀️

Soon, school will end for the year. 📅
17 That means I will have a long break called summer break!

I will not go to school during summer break. 🚌 I won't ride the bus, see my teacher, or sit in my classroom. That's okay.

During summer break, I can do fun and relaxing things:
Play games or go outside 🏖️ _ Spend time with family or friends 🧩 _ Travel or stay home 🏠 _ Rest, read books, or watch shows 📺

Some days might feel different without school. ☀️ If I feel unsure or miss my routine, I can:

Talk to a grown-up 👤 _ Use a calendar to see what's next 📅
17 Try something calm like drawing or listening to music 🎵

After summer, school will start again. 🏫 I'll meet my new teacher, see my classroom, and maybe meet new friends.

Summer break helps me rest, grow, and get ready for what's next. ☀️ I can enjoy my break and feel proud about finishing the school year!
