

Louisiana Medicaid Presents:

Louisiana Medicaid is updating the quality performance measures tracked by Medicaid **Managed Care Organizations (MCOs)**. Updated measures will become effective January 1, 2020, to align with the start date of new MCO contracts. If you are a Medicaid stakeholder, we want to hear what you think!

Join us at one of several **public forums** in February to share your experiences with and recommendations for future quality performance measures.

Wednesday, February 6

6:00 – 8:00 PM
