### Registration and Fees

Participants must register for the Conference via EventBrite. Registration will close either when the event sells out, or on October 18th, whichever comes first. Registration will be filled on a first come, first served basis. Space is limited. Each attendee must register him or herself; it is not possible to register groups, teams, or school systems all at once.

To help offset the cost of lunch and refreshments, there is a **small registration fee of \$25**.

This fee will cover:

- Admission to the conference
- Conference sessions
- Lunch
- Parking

Educators who choose not to eat the provided lunch, **may not** opt out of the registration fee.

### Refund Policy

Individuals may cancel their registration at any time through EventBrite. To receive a refund of registration fees (minus processing fee \$3.09), individuals must cancel their registration no later than October 21, 2019, 7 days before the Conference begins. No refunds will be issued after October 21, 2019. The refund will automatically be credited to registrants' accounts within 5–7 business days.

### Tickets are Non-transferable

This means only the person whose name is on the original registration confirmation may use that ticket. Should this person not be able to attend, his/she should request a refund via EventBrite. Another educator cannot attend in their place using the same ticket. A completely new and separate ticket must be purchased.
