

Supporting educators to INCLUDE CHILDREN WITH DISABILITIES

FOR AGES 0-5

Inclusion helps children
of all abilities gain:

The IPEC Program can help your classrooms become more accessible, promote participation, and identify support needs.

IPEC Services

Trainings

Interactive group trainings that include topics like Developmental Milestones, Intro to Autism, Evidence-Based Supports, IFSP/IEP Basics, and more.

One-On-One Coaching

This customized support includes classroom observation, shared planning and goal creation, and follow-up coaching.

Screening and Evaluations

IPEC supports programs to develop robust and accurate developmental screening and referral systems.
