LEARN EVERYDAY COMMUNICATION

- Vocabulary and grammar are introduced in context, with a focus on everyday communication and sharing information.
- Receptive and expressive language skills are fostered through immersive ASL lessons without voice.
- Aspects of Deaf culture will be introduced with an emphasis on Deaf experiences in healthcare settings.

BROUGHT TO YOU BY FACULTY FROM THE LSUHSC HUMAN DEVELOPMENT CENTER (HDC)

HDC is Louisiana's University Center for Excellence in Developmental Disabilities. The Human Development Center builds capacity and inspires change to ensure that people with disabilities are able to participate fully in all aspects of community life.
