High Expectations VI Services

240 E. Main St.
PO Box 586
Brusly, LA 70719

Profile

Passionate Teacher of Blind Students with a special interest in a collaborative teaming approach to improve educational and developmental outcomes for children with significant disabilities, including blindness. I am also a parent of a successful, independent, 27 year-old blind son. This brings with it a unique perspective in understanding the needs of these children and their families.
