Concepts of General Supervision
Accountability for Implementation & Improved Results

Part C

The BIG 8 of General Supervision
(and Continuous Improvement)
1. What are the minimum Components for General Supervision?
2. How do the Components form a state System?
3. What are the annual Processes operating within the system?

Difference between Concepts & a Model
Each state develops Its Own Model of General Supervision based on what’s required and desired

Accountability’s Bigger View

How Does the Big 8 Fit into a State System?

Describing a ‘System’ of General Supervision

Problems in Description (beginning List)

✓ Equating General Supervision as only On-Site Monitoring
✓ Viewing Administration as a collection of Separate and Isolated Functions
✓ Defining Accountability as an Event rather than a ‘state’ and Process
✓ others?
